

NORTHERN COUNTIES SAFETY GROUP LIMITED

Safety Training & Services to the Construction Industry

FACTSHEET

2 Days CITB Temporary Works Co-ordinator

Introduction

This training course will enable delegates to gain an understanding of Temporary Works Coordinator's role in compliance with BS5975

Who should attend?

This course is for those on site with responsibility for managing all forms of temporary works. It is designed to give confidence to senior management and those who engage with contractors, that candidates have reached an assessed standard of knowledge.

Course Aims

Successful candidates will gain knowledge and skills in:

- Understanding the need for, and the duties of, a TWC
- Understanding the roles of others
- Understanding BS5975, the code of best practice for temporary structures on building sites
- Statutory aspects of temporary works
- Risk assessments and method statements
- Management of the temporary works process.

Objectives

At the end of the course, delegates should be able to:

- Understand how to plan and manage temporary works
- Understand how to implement a temporary works procedure and checks
- Have improved awareness of temporary works and the responsibilities they may encounter
- Understand the principles of BS 5975 (Code of Practice for Temporary Works Procedures)

Delegate Numbers

A maximum of 18 delegates will be permitted per instructor.
